Wood Destroying Insect Report

Who Needs Bugs

Wood destroying insect report inspections are not performed by this company. As a courtesy to our customers, we will schedule (On Your Behalf) a WDI Report (Wood Destroying Insect Report) Inspection to be performed by a licensed Pest Control Company. **The Advantage**, if there is insect activity, the pest control company will provide you with a WDI Report and an immediate action plan to present to the seller.

Price: (WDI Report) - 50.00 to 75.00

Wood Destroying Insect Inspections (WDI) are performed by
